

Ranger Report

6 Apr 14 – 12 Apr 14

Next Thursday begins the start of our catfish stocking. Come on out and catch your limit. Sonny's dip bait is the most popular bait with the members.

The Trout are still active. If you want to catch some trout you need to catch them before they are all caught.

Just like last week, the fishing for Crappie and Blue Gills is really taking off. Minnows and worms are the bait of choice for them. (Try the kids' pond).

Lewis Steiner caught a nice 9lb cat from his boat.

Weekly creel: Bluegills – 45, Catfish – 14, Crappie – 58, Trout – 54, Bass – 7.
