

RANGER REPORT
January 26 – February 1, 2015

This is Ranger Eric sending you the SBEA fishing report. This past weekend sure was a cold wet one. We did have some die hard fisherman out in the weather though. Even with the cool weather we did have some pretty great sizes caught on the trout. The trout are still biting with the yellow Berkley bait in the Southeast corner of the lake. The weather is supposed to be warmer this coming Saturday and Sunday; looks to be in the 60's, so SBEA staff sure would love to see you out and fishing. Good luck everyone!

Congratulations to January 31st trout tournament winner Van Sinh Quy. His winning trout weighed in at 2.6 lbs.
