

Ranger Report

30 Mar – 5 Apr

The trout season is coming to a close and those of you who missed it missed out on a really good year. I would like to thank my entire group of trout fisherman for making our trout season enjoyable.

Kids' Fish N Fun Club Meeting day was a success. May 3rd will be the next one; however this is our Kids Fishing Day where we have prizes and free food for the kids. We'll be stocking the kid's pond with 400 blue gills and a bunch of catfish.

The catfish that are being caught are big. We are averaging two to three a day w/ a nine pounder and several four pounders brought in this week.

Fishing for crappie is excellent, trout are slowing down and channel cats are picking up.

Next stocking of the lake will be the catfish on the 17 April.
