

Ranger Report

September 14 – October 6, 2014

Good news. After 30 days of slow fishing the catfish and the bass have come back strong. It could just be the nice weather. Three to five pounders are showing up in the creels. I'm happy. So you better grab your fishing pole and come out to see if you can catch a lunker.

Creel: Catfish – 116, Bass – 24, Blue Gill – 59.
