Taking Care Of A Sticky Situation

Due to the drought over the last few years we have been experiencing a real problem with stickers. Last year we had professionals come in to try and get a handle on this problem. We believe we have it under control and encourage our members and their family's to come out and enjoy the lake. Our maintenance crew has worked hard so kids and members can enjoy playing games like soccer, baseball or even an old fashioned game of red light, green light. Speaking of games, did you know of all the activities you can do here at the lake besides fishing? SBEA has a 1 mile trail around the lake to walk, paddle boats, playgrounds and fishing boats. How about a day playing baseball in our updated ball field or soccer in the soccer field! Horse shoes, a volley ball court or a friendly game of checkers! Check all equipment out with the SBEA ranger to take advantage of these benefits when you visit the lake.
