## FISHERMEN, CAMPERS & GUESTS

With camping season starting, keeping the lake a safe and peaceful place is a job for everyone who visits the lake. The SBEA lake employees work very hard to make the lake a great place for our members. Most of our members are great and appreciate the lake and take pride in knowing they own part of a great organization. We are asking for your help in continuing to keep SBEA Lake a safe, clean and peaceful place for all members.

Please treat with respect the wildlife that shares your lake. Keeping all hooks and fishing line picked up because the hooks get caught up in the bird's beaks and the fishing line end up wrapped around the birds causing great harm.

The docks must be kept clear of obstructions at all times to facilitate safe foot traffic. Please do not use a rock, stone or brick on the docks. Please help keep the lake and adjoining area clean by properly disposing of all trash and cigarette and cigar butts. Assistance in keeping the lake, facilities, docks, and shore clean is greatly appreciated.

For yours and your children's safety, please no one under the age of 14 unattended around the water without an adult supervision.

Sometimes all it takes is a walk around the lake to clear your mind from the everyday happenings and a great way to de-stress from the world around us. The lake is small enough to make this possible, yet large enough for it to be a good exercise.

Walking is a simple, natural and great low-impact way to burn calories and help your heart. One trip around the lake is one mile.
