

Ranger Report

August 31 – September 6, 2014

Congratulations to Larisa Graves for winning this month's catfish tournament. She caught a whopping 1.62 lb channel cat and won a nice rod and reel combo.

The weather has turned nice, the heat is slowly slipping away and the wind has died down a little. The fish are starting to become more active. You might want to go get your fishing rod and come on out and enjoy the lake.

SBEA is looking for a donation of an old microwave. The fishermen would like one for thawing out bait.

Creel: Catfish – 111, Bass – 23, Blue Gill 48, Crappie – 12.
