

## **RANGER REPORT**

January 2017

Hello everyone! We hope you are enjoying the trout season. We just again stocked some large rainbow and golden trout! This past week the golden Berkeley dough bait was catching trout as was gold spoons. Small black jigs caught both crappie and some trout. The bait shop has both regular and pink minnows for bait. We ask that everyone use extreme caution on the docks as the freezing rain has made them slick. Remember to be Mobil when fishing for trout. They are schooling fish and are always on the move.
