July 14 – 19, 2014

I'm really excited right now; the fishing at SBEA Lake has been great. The extra stocking of catfish are really paying off for our members. But I have noticed that a lot of big catfish are getting caught.

The Lunker Catfish Tournament is just around the corner. We'll stock the lake on the 22<sup>nd</sup> of August, and once the catfish have been stocked in the lake for the tournament we will close the lake for fishing until after the tournament is over. The next morning @8:00 we will start the 24 hr fishing tournament so make plans now to get signed up for this tournament. This is a prize money tournament, and this is also a tournament that cost \$25.00 to enter. Hope to see you there.

Next week I want to talk about the white perch population. Give me a call if you have any questions? 522-5966
