

# Ranger Report

June 8 – June 14, 2014

We had another wet week at the lake, which we really need so this was good. The lake has come up about a foot in the last two weeks. We stocked the lake with catfish on Thursday. A lot of people have been catching a lot of fish. Boats have been going out in the lake and catching some fish too.

Congratulations to an Frank on winning the monthly catfish tournament with an 8.2 pounder. They are now a proud owner of a Hi-Tech Ol' Whiskers Catfish rod and reel.

I also want to thank the cub scouts for coming out on Saturday and cleaning the east side of the lake. I can always use volunteers to help keep the lake looking good.

Weekly creel count: Catfish – 161, Bass – 26, Blue Gill – 31, Crappie – 2.
