## SBEA Launches New Website

SBEA is excited to announce the launch of our new website! A fresh new design, a database driven content system, search tools and widgets will enhance the web experience for our members.

"The original website debuted in 1998, and the only way to access it was from inside the Boeing firewall.

Since that time we have maintained the content, but never updated the functionality, efficiency or user experience, until now," said Trish Pulliam, SBEA Executive Director.

Improvements include a website that is user friendly and easy to navigate, easily viewed from a mobile device, a searchable merchant discount database, the weekly Ranger Report, newsletter sign up, an interactive calendar of events, and social media sharing options.

In conjunction with the website launch, SBEA is running a contest to give away tickets to Frontier City, Worlds of Fun/Oceans of Fun, and Lake Afton Public Observatory. Members may enter the contest through the SBEA Facebook page or through the SBEA website at [BEAToday.com/contest](http://BEAToday.com/contest).

First, 2nd, and 3rd place prizes will be awarded, as well as one honorable mention per category. Winners will be featured in the January SBEA Today Newsletter and also put on our website. We will even post incoming photos on our Facebook page for all our members to view throughout the year.
