SBEA PHOTO CONTEST

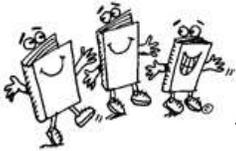

Your next SBEA event or lake photo could land you in the SBEA Today Newsletter and your photos on our website.

Whether it's a snapshot of a peaceful moment fishing on the lake, the fiery colors of a Kansas sunset, or fun at a SBEA activity, SBEA staff want our members to see SBEA benefits through the lens of your camera. Photo submissions for the SBEA photo contest are being accepted now through Dec. 23, 2014. Participants can submit photos in three categories: wildlife & landscapes, outdoor recreation or SBEA Event. There is no fee to enter, and the contest is open to all SBEA members and immediate family members. Budding photographers can submit up to three photos and multiple entries may be submitted in the same category. Photos must be taken at the SBEA lake or at any sponsored SBEA function and must be the entrant's original work. Each photo will be judged on creativity, composition, subject matter, lighting, and the overall sharpness. First, 2nd, and 3rd place prizes will be awarded, as well as one honorable mention per category. Winners will be featured in the January SBEA Today Newsletter and also put on our website. We will even post incoming photos on our Facebook page for all our members to view throughout the year. Entries must be received no later than 5 p.m. on December. 23, 2014. An entry form must be submitted for each participant. Photo format should be JPEG and a file size should be not less than 1mb and not more than 5mb.

Entry forms are available in all SBEA stores. For more information and entry forms, contact Stephanie Parsons at steph@beatoday.com.

FISHERMEN, CAMPERS & GUESTS

Keeping the lake a safe and peaceful place is a job for everyone who visits the lake. The SBEA lake employees work very hard to make the lake a great place for our members. Most of our members are great and appreciate the lake and take pride in knowing they own part of a great organization. We are asking for your help in continuing to keep SBEA Lake a safe, clean and peaceful place for all members.

Please treat with respect the wildlife that shares your Lake. Keeping all hooks and fishing line picked up because the hooks get caught up in the bird's beaks and the fishing line end up wrapped around the birds causing great harm.

The docks must be kept clear of obstructions at all times to facilitate safe foot traffic. If you use a stone or brick please remove it from the dock when you are done. Please help keep the lake and adjoining area clean by properly disposing of all trash and cigarette and cigar butts. Assistance in keeping the lake, facilities, docks, and shore clean is greatly appreciated.
