WE WANT YOU

Get Involved In Your Club

SBEA is currently sitting at 8 board members and wants to work towards getting back to a board of 12 board members. The current Board members encourage our members to come to some committee meetings or Board meetings and learn what the SBEA is all about and to get a firsthand experience of being a Board members and being part of a wonderful organization. We believe that this has never been more important than it is today. Serving on the board is an excellent way to have a substantial and ongoing impact in the SBEA's growth and future. They want to see our members to at least check out what is involved in serving on the Board of Directors. The amount of time you actually contribute can vary from just a few hours a month from participating in board meetings or committee meeting to several hours a week on special occasions. The Board would like for those that are interested to contact a current Board member or the Executive Director (Trish) and visit with them about the organization and the duties involved. They also want to encourage you to sit in on some of the Board meetings and see what is involved in being a Board member.

Our board members play an active role and pride themselves on supporting each other as a team. They also want our members to have an opportunity to learn and help shape the future of the SBEA. Contact Trish if you would like to sit in on a Board meeting. Board meeting are always the 2nd Thursday of every month.

FISHERMEN, CAMPERS & GUESTS

Camping Season Begins May 26

With camping season starting, keeping the lake a safe and peaceful place is a job for everyone who visits the lake. The SBEA lake employees work very hard to make the lake a great place for our members. Most of our members are great and appreciate the lake and take pride in knowing they own part of a great organization. We are asking for your help in continuing to keep SBEA Lake a safe, clean and peaceful place for all members.

Please treat with respect the wildlife that shares your lake. Keeping all hooks and fishing line picked up because the hooks get caught up in the bird's beaks and the fishing line end up wrapped around the birds causing great harm.

The docks must be kept clear of obstructions at all times to facilitate safe foot traffic. Please do not use a rock, stone or brick on the docks. Please help keep the lake and adjoining area clean by properly disposing of all trash and cigarette and cigar butts. Assistance in keeping the lake, facilities, docks, and shore clean is greatly appreciated.

For yours and your children's safety, please no one under the age of 14 unattended around the water without an adult supervision.

\$5.00 movie tickets are good for Monday, Tuesday, Thursday and Sunday only at Warren Old Town Theater. No other discounts or special ticket offers will be accepted. Sometimes all it takes is a walk around the lake to clear your mind from the everyday happenings and a great way to de-stress from

the world around us. The lake is small enough to make this possible, yet large enough for it to be a good exercise. Walking is a simple, natural and great low-impact way to burn calories and help your heart. One trip around the lake is one mile.
