WE WANT YOU

Get Involved In Your Club

SBEA is currently sitting at 8 board members and wants to work towards getting back to a board of 12 board members. The current Board members encourage our members to come to some committee meetings or Board meetings and learn what the SBEA is all about and to get a firsthand experience of being a Board member and being part of a wonderful organization. We believe that this has never been more important than it is today. Serving on the board is an excellent way to have a substantial and ongoing impact in the SBEA's growth and future. They want to see our members to at least check out what is involved in serving on the Board of Directors. The amount of time you actually contribute can vary from just a few hours a month from participating in board meetings or committee meeting to several hours a week on special occasions. The Board would like for those that are interested to contact a current Board member or the Executive Director (Trish) and visit with them about the organization and the duties involved. They also want to encourage you to sit in on some of the Board meetings and see what is involved in being a Board member.

Our board members play an active role and pride themselves on supporting each other as a team. They also want our members to have an opportunity to learn and help shape the future of the SBEA. Contact Trish if you would like to sit in on a Board meeting. Board meetings are always the 2nd Thursday of every month.

They live here full time we do not; please help us treat with respect the wildlife that shares your lake. This is as simple as **keeping all hooks and fishing line picked up or tossed into the trashcans** because the hooks get caught up in the bird's beaks and the fishing line end up wrapped around the birds causing great harm.
