

RANGER REPORT

November 2017

Hello everyone!

Wow can you believe trout season will be here? We are all looking forward to another great trout season, providing some great winter fishing! The water temps cooled off nicely and by the time you read this we are hoping to have the trout in the water. The bait shop has all your trout baits and tackle ready to go! If you're still looking for catfish they are still hitting large baits early in the afternoon. Bass and crappie are slowing down with water temps dropping so fish your baits slowly. Have a happy thanksgiving everyone and come catch some trout!

Weekly Creel: Crappie 22, Bluegill 55, Bass 16, Catfish 52, Grass Carp 3, Total 394

Take care and good fishing! Ranger Eric
