

RANGER REPORT

October 2017

Hello everyone!

The fall bite for bigger cats has begun. Nice cats have been caught on shrimp and whole crawlers. Stink baits are working as also larger cut baits. Crappie are starting to show signs of the fall bite just need another cold front to kick it off for them. The bass are hitting creature baits worked along the drop offs. We are monitoring the water temps for the winter trout. We have a ways to go for it to cool off.

Weekly Creel: Crappie 41, Bluegill 90, Bass 66, Catfish 194, Carp 3, Total 394
