

RANGER REPORT

Sept. 2017

Hello everyone!

Are you ready for fall fishing? It's coming fast! The cats will be feeding on larger baits and the crappie will be looking for minnows before we know it. The bait shop is getting set up for the upcoming trout season and are excited about new baits to try. Rebecca and Pat also have clearance deals on the Okuma Rox reels, an excellent reel for both cats and trout! They also have numerous styles of flash lights by Nebo on sale, get them fast! As for fishing the cats are still strong in the evening as are the bass. The crappie will be active next week as we have a solid cold front moving in. Perfect timing! Come out and enjoy!

Weekly Creel: Crappie 44, Bluegill 104, Bass 86, Catfish 200, Total 404

Take care and good fishing! Ranger Eric
