

RANGER REPORT

April 2018

Hello everyone!

Is everyone ready for spring fishing? We still have a few trout being caught; best bait is peach trout dough bait and spinners. Catfish are hitting shad, liver and blood stink baits. Crappies are a hit and miss, but best bait is still minnows. We ask that everyone use extreme caution smoking or using grills around the lake. We have extremely dry conditions and the fire danger is high! We are now regularly stocking catfish, so our cat season is under way

Weekly Creel: Trout 262, Crappie 90, Bluegill 50, Bass 6, Catfish 90, Total 402

Take care and good fishing! Ranger Eric
