

## RANGER REPORT

July 2018

Hello all!

First off I want to thank everyone for coming out and enjoying our 4th July celebration! It sure looked like everyone was having a great time! The cats were hitting all day on the 4th too. We saw many creels with big fish! Shrimp, chicken liver and stinkbaits are the hot tickets for catching the cats now. Our baitshop is stocked with all your catfish baits you will need! The best cat bite is from 7pm on through the night, but day time cats have been caught in the shade of the docks too! Remember our next 24 hour cat tournament s coming up in August and blue cats can be kept this time!

We also want to remind you the blue cats are catch are allowed in your creel count. Any white perch you catch, do not put them back in the water, you can leave them on the banks for the wild life or throw them in the trash. Take the white perch to the lake store for the .25¢ bounty.

Weekly Creel: Crappie 10, Bluegill 90, Bass 20, Catfish 276, Total 398

Take care and good fishing! Ranger Eric
