

RANGER REPORT

June 2018

Hi everyone!

Well spring was brief and the heat of summer is here! So you know what that means... it's the evening and night bite for the big cats. All the baits are working well. Chicken liver, shrimp, cut baits and stink baits are all producing. Don't forget night crawlers either! We still have the white perch bounty going on. If you catch some they must be fresh, whole and not dried out. Bring them to the bait shop to get your .25 cent bounty per fish! Bass are active early morning and crappie have been hit and miss since spawning is over. Try pink jigs with minnows fished around the docks. See Rebecca or Pat in our well stocked bait store for all your fishing and camping needs! Just a reminder, the speed limit around the lake is 10 mph. We have kids and campers with summer here and don't want an accident. Remember this Saturday is our kids fishing tournament. We are stocking the kids pond with bluegill for the event. Come on out!
