

RANGER REPORT

May 2019

Hello everyone!

The waters have warmed up and the bass and crappie are starting to move. Cats are hitting the stink baits, shrimp and shad baits. Don't forget our all night tournament next Saturday! Reminder though, we stock our Lunker cats Friday. After the stocking the lake will be closed to fishing until the tournament. Our bait store will stay open. Remember you have to be signed up and paid in to fish in the tournament. A rule reminder for everyone, the speed limit on the entire lake is 10 mph. Also absolutely no pets of any kind are allowed at the lake.

Weekly Creel: Bass-22, Crappie-19, Bluegill-19, Catfish-247
Grand total-307

Take care and good fishing!
Ranger Eric
