YOU'RE DOING GREAT

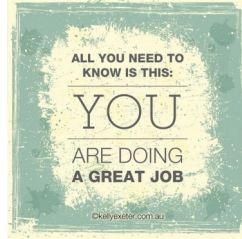

May 3, marks 40 days of a stay-at-home order we have all had to endure. In these 40 days we have had to find ways to keep going, like bike rides, fishing, organizing the home, home schooling, etc. Where will we be in six months, a year, 10 years from now? We have no clear answer to this question. A couple of things we can do to help could be taking it one day at a time, find a new project to focus on and give yourself grace.

Take it one day at a time—When the path doesn't seem clear, and the future feels hazy and uncertain, it's best to focus on only what's right in front of you. What will you do to make this day okay? What can you focus on that's within your control right now?

Find a project to focus on—A distraction can help keep you grounded when it feels like nothing makes sense. Why not tackle a new project you've been too scared to try or challenge yourself to finally finish something you've been putting off? Take an online class. Organize your closet. Clear out the garage. Get caught up on all those photo books you've been meaning to make.

Give yourself grace—Remember that it's okay to be scared or sad or unmotivated every once in a while. Beating yourself up will only compound those feelings. Instead, remind yourself that we're all in the same boat right now, your feelings are completely normal, and this won't last forever.

In other words? Just make it through today. **And also? You're doing great.** We will survive this. And so, a challenge for you in the next couple of months is to take it one day at a time, find a project to focus on, and give yourself a whole lot of grace. Remind yourself that no season lasts forever and that without a little bitter sometimes, the good things in life don't taste nearly as sweet.

PLANT STORES

We understand that many of you are back at work at Spirit and wondering why the SBEA stores are closed. As part of Spirit's COVID-19 response plan, only mission critical provider services are allowed on site at this time. SBEA does not fit into this at the time, so we ask that members please be patient with us as we continue to work with Spirit on when we can get back into the stores. The lake store is open for your convenience, Wednesday – Sunday, 7:00 a.m. – 9:30 p.m. Lake and lake store are closed Monday's & Tuesdays.

RANGERS REPORT

Hello Everyone!

The fishing at the lake has been great! We have been stocking catfish since early April and they are hungry! Members have found that shrimp and shad sides have been working well as have stink baits. So far this has been the best spring for catching bass, but please remember that all bass are strictly catch and release only. We encourage you to take pictures of your catch and return the bass to the lake quickly. We have been working on lake structure and forage foods for our panfish and are seeing good results. Please see our Facebook page for new pictures of the bass and large catfish our members have caught. White perch still have a bounty on them. Catch them and take them alive to the bait shop to collect your bounty! Just make sure they are not crappie. Just a reminder, there is absolutely no swimming, wading or dipping your toes in the lake. No pets are allowed on the property. Rental boats will be out in mid-May.

They live here full time we do not; please help us treat with respect the wildlife that shares your lake. This is as simple as **keeping all hooks and fishing line picked up or tossed into the trashcans** because the hooks get caught up in the bird's beaks and the fishing line end up wrapped around the birds causing great harm.

Stop in and check out the new merchandise that has arrived in the lake store. Also the lake store sells live bait, worms and other fishing bait as well as a great selection of tackle and fishing poles. Support your SBEA lake store by shopping for all your fishing needs.

BACK FOR CAMPING SEASON

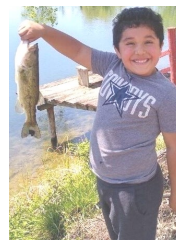

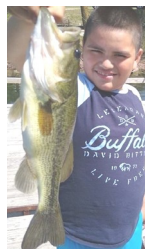

BACK FOR THE CAMPING SEASON

Camping season is just about here and that means fire pits will be available during May 22 – September 7. There are several requirements. No fire rings or fires on the ground allowed. No fires will be allowed until you check with the ranger for full details. SBEA has fire pits available for rent in the lake store as well as firewood. **You cannot set up a fire pit unless approved by the rangers.** Cost per day will be \$20.00 deposit, \$5.00 rental with your own firewood or free rental if you purchase firewood from SBEA. Please check in with the lake store for a list of fire pit rules and application to sign. Absolutely no fire pits will be accepted on the docks or picnic areas at any time.

OH, THE FISH WE WILL CATCH

It has been great seeing families out here fishing this past month. We loved seeing the photos of the kids with their catch. We would love to see more photos of you and your families and be able to share them on our Facebook and webpage. Send them to Steph@beatoday.com with name, day of catch and lb. of fish if you can.
