

Ranger Report

May

Hello everyone!

Spring fishing is finally here! The trout fishing is winding down. There are still a few in the water but as the water warms, they will feed the turtles. For the few that are still out there try floating a night crawler under a dock. We have stocked our first pile of catfish! So, let the cat fishing begin! The bait shop is stocked with all your cat baits. Reminders for everyone, the lake speed limit is 10 mph. Please still take measures to fight the corona virus. Please keep proper distances from other people, we can't allow more than 10 people including workers in the bait shop. Our facilities are being sanitized multiple times a shift, and play grounds for now are closed. Also, all bass caught from the SBEA lake are now catch and release only. we have had a few members show up at the lake with pets. We have clear signs posted "no pets allowed". Do not bring your pets to the lake, please leave them safely at home. Come on out! Hope to see you soon!

Creel Count: Catfish - 66, Bass 4, Bluegill 19, Crappie 10, Trout 59, Total 158

All Bass Safely returned to the lake
