

RANGER REPORT

September

Hello everyone!

Well we are almost through the dog days of summer, and then hello fall! Fall is a great time to fish for our cats and bass here at the lake! The nights are cooling down which cools our lake water. Shorter days trigger the bigger cats and bass to put on the feed bag prepping for winter. Start using larger chunk baits or cut baits and larger deeper running lures for the bass. Pat has the bait shop ready for the overnight cat tournament, he is stocked with cat rods and plenty of bait. We hope to see you out here for the tournament! There is still time to sign up. Also don't forget Labor Day camping, that will be the last weekend for camping and overnight fishing.

Creel Count: Catfish - 197, Bass 93, Bluegill 28, Carp 2, Crappie 2, Total 418

All Bass Safely returned to the lake
