

RANGER REPORT

November

Hello everyone!

Hope everyone is enjoying the cooler temps for fishing! Our lake has just completed its fall turn over and cats should be on the move with water temps dropping. Some cats are hitting the stink baits while most are hitting shad and large cut baits now. Bass are hitting the chatter baits and purple worms fished close to the bottom. A few nice crappie were caught on minnows. Keep changing out your baits to see what the cats are looking for. We should be getting trout sometime in November as our water temps are going in the right direction. Pat and Jeff in the bait shop have been stocking for all your trout needs, pay them a visit!

Creel Count: Catfish – 239, Bass 29, Crappie 2, Total 261
All Bass Safely returned to the lake
