

## RANGER REPORT

January

Hello everyone!

Happy New Year! We hope everyone's holidays were great ones! Good news here is the trout are still biting. The colder temps have them hitting crawlers, spinners, spoons and dough baits. Trout eggs red in color are doing well too. A friendly reminder that the speed limit on the property is 10 mph. On the warmer winter days come on out and enjoy a walk around the lake, see all the migratory birds here for the winter. Stop in at the bait shop for hot coffee and check out the new merchandise Pat and Robin have stocked! **NO PETS ALLOWED**

December Creel Count: Trout - 297, Bass-3, Catfish-4, **Total -304**

[All Bass Safely returned to the lake.](#)
