

Arena Concerts/Show Ticket Information

Updated 5/13/2025

With to the number of concerts, tours and events coming to Wichita, and the number of venues we work with, we are unable to list all of the them in the newsletter. Below is the full list of concerts, tours, events and upcoming attractions we sell tickets for.

Due to the procedure change in ticket ordering through select-a-seat, there may be a longer wait time for orders to be filled. Some shows are subject to being taxed or have a facility fee tacked on we may not know of until the purchase of tickets for that event at the box office. In the event this happens, we will let you know is there is a difference in price at the time of pickup. SBEA will place orders and pick-up from select-a-seat once a week. We appreciate your patience.

Some concerts /shows tickets are mobile only tickets, so we are unable to sell these tickets. We are sorry for the inconvenience this might be for our members. **Concerts and shows are subject to change or cancel at any time without notice.**

All ticket sales are final, no refunds will be given. If an event has been canceled or postponed, please check the event policy located on the arenas website the concert/show will be performing at.
