

Ranger Report

May

Hello everyone!

Well May is here! Camping and our 1st - 24-hour Lunger Catfish Tournament kicks off the end of this month! The Lake Store is open 7 am – 9:30 pm. And the lake is open 7 am -10:00 pm, Wednesday – Sunday. We ask members to be off the lake by 9:45 pm. This gives our ranger time to lock all the facilities and ensure all are off the property and close the gates. Please read our on-line rules on our website at Home - Spirit / Boeing Employees' Association for all the camping, boating and guest's rules. As May progresses you will see brand new floating docks being installed! This is a great thing for all the members! Maintenance is also working on the wood stationary docks too. In the enclosed pavilion you will see new textured flooring which really looks nice! We have been stocking catfish since March and have also stocked crappie and bluegills. We are working hard on rebuilding our panfish numbers in the lake. Our new creel limit for bluegill is 5. By doing this we hope to give the bluegill, like the bass, a chance to breed. Please remember “NO PETS ALLOWED” and no glass containers.

April Creel Count: Catfish-148, Trout – 30, Bass-16, Bluegill-10, Crappie-10, Total-214
