

## RANGER REPORT

Hello everybody!

Hope everyone is enjoying the fall fishing! The cats are hitting stink baits, blood baits and cut baits with crawlers mixed in. Bass are hitting rubber worms, spinners and old school beetle jigs. Sluggo baits have been working too. Crappie and bluegill are hitting minnows fished with just a hook and no weight or bobber. We have trout coming soon but the stocking depends on the water temperature.

See the bait shop for all your fishing needs and check out the new clearance tables! Lots of great products! Don't forget our annual Christmas sale at the machinist union building on 23 November!
