

## Ranger Report

### September

Hi everyone!

I want to thank everyone who came out to our august 24-hour cat tournament and also Labor Day weekend! It was good to see a lot of our members out enjoying our lake! We have stocked a whole lot of catfish and are stocking more bluegills for the kid's tournament next weekend. Camping is now over for the season but we still have lots of great fishing for the next few months! Bass are hitting wacky worms and glide baits. Cats are hitting most anything as they are getting ready for fall and winter.

A few reminders, if you want to fish with 3 poles, stop in at the bait shop and get your 3-pole permit. Only \$1. Speed limit on the lake is 10 mph. All bass are catch and release still. Please if you catch a bass, get a cell phone pic and release asap. White perch are catch and kill; they cannot be put back into the lake.

August Creel Count: Catfish - 269, Bass - 84, Crappie - 51, Bluegill – 126, **Total-530**
