

Ranger Report

January

Hello all!

Hello and happy New Years! I hope everyone took advantage of the great weather over the holiday break and made it to the lake to fish! Crappie are hitting rooster tail spinners in the kid's pond. Trout are hitting crawlers with a bobber and peach dough baits. Catfish are hitting shrimp with garlic. Some reminders, the speed limit on the SBEA property is 10 mph. Rangers will start giving tickets. Also on our south side repair job, leave those rocks in place. Do not move them to the docks. Smokers, put your cigarette butts in the trash. The bait shop has restocked with all sorts of new gear! If Santa forgot your gift, see if Pat or Shauna have it in the bait shop!

Please do not remove rocks from the south side of the lake where we had to have someone come in and stabilize the bank and road. These are here for support and must not be moved or walked on. Please take care of your lake and follow all rules and policies. We do ask that no rock, bricks, etc. are put onto the docks. Please check out the following link, under fishing, for the fishing rules and regulations. [Rules & Regulations - Spirit / Boeing Employees' Association](#) Thanks Management.

December 2025 Creel Count: Trout – 2100, Crappie-23, Bass-3, Catfish-20, Bluegill-15

Total-161

[All Bass Safely returned to the lake.](#)
